Re: OIRCA Award of Merit

Dear Simon:

It is with great pleasure that I am able to inform that you have been chosen the winner of the *2015 OIRCA Award of Merit*.

As I am sure you are aware, the Association introduced this Membership Award a few years ago to recognize an individual from a member company who has made a significant contribution to the OIRCA or the greater roofing industry in this province.

Your service to the Association as a member of the Risk Management, Insurance and Warranty committees as well as your authoring of several bulletins and articles for Ontario Roofing News and speaking to the membership on a number of occasions certainly makes you a candidate for such an award.

That being said, your efforts over the past ten plus years to increase the members' awareness of the intricacies of insurance and risk management are particularly significant.

Simon, you have always made yourself available to support both the Association staff and our members whether they were in the program or not. Your proactive approach to providing our industry with knowledgeable insight and advice has been a major benefit to the OIRCA membership.

We would like to celebrate the presentation of this award at our upcoming Annual General Meeting which is scheduled for Thursday, January 22, 2015 at the Old Mill in Toronto. We hope that this date is convenient and look forward to sharing this important commemoration with you.

Yours truly,  
ONTARIO INDUSTRIAL ROOFING CONTRACTORS ASSOCIATION
